County Recorder Cheryl Rach

By _____, Deputy

DOCUMENT NO. 377201

Mn/DOT 2105 (4-77)

Statement of Evidence: NORTHEAST CORNER SECTION 6, T133N, R35W

The original public land survey was run in 1858 and a wood post was set to mark the corner.

No records for this corner could be found.

The Minnesota Department of Transportation set this corner at a 4-way road intersection. This location is verified by doubling over the distance from the old fence line at the North Quarter Corner of Section 5 and the iron monument at the Northeast Corner of Section 5.

For details and survey analysis contact the Minnesota Department of Transportation District Surveys Office in Brainerd.
